Obispo Diaz Cabrera 334,
Trujillo, Peru.

ABOUT ME

Systems Engineering graduate from the National University of Trujillo, specializing in mobile development with Flutter. I have a solid foundation in backend development and software architecture, enabling me to manage the full application lifecycle, from requirements gathering to deployment. I am an analytical problem-solver for complex technical challenges with an advanced level of English (C1).

TECHNICAL SKILLS

Mobile: Flutter & Dart (Specialty).
Backend & Web: Java (Spring Boot), .NET, Python (FastAPI), Nest.js, Next.js.
Databases: SQL Server, MySQL, PostgreSQL.
Machine Learning: Computer vision and model training with synthetic and real data.
Tools: Cloud deployment (Digital Ocean, Render), Git, Advanced Excel.

EXPERIENCE

2025 - PRESENT | FLUTTER MOBILE DEVELOPER

- Developed a comprehensive rewards and task management platform featuring points logic and data privacy.
- Currently developing a logistics application for background driver tracking and real-time delivery registration.

Sistematic del Peru- Lima , Peru

2024 - 2025 | FLUTTER MOBILE DEVELOPER

- Responsible for the evolutionary maintenance and UI optimization of the "Planiweb" corporate application.
- Resolved critical bugs and improved modules for GPS-based attendance, document management, and facial recognition.
- Developed a supervision module for schedule and cost center management with an interactive calendar view.

Simbiosys – Trujillo, Peru

2021 - 2026| SOFTWARE DEVELOPER (ACADEMIC PROJECTS)

- Thesis (AdiPix): End-to-end development (Flutter + AI) of an app to estimate body composition via photos and automatically generate personalized nutrition and exercise routines.
- BEDIA: Implementation of a smart surveillance application with facial recognition and live video streaming for home security.

Universidad Nacional de Trujillo– Trujillo, Peru

EDUCATION

2021 - 2026 | NATIONAL UNIVERSITY OF TRUJILLO

B.S. in Systems Engineering

2010 - 2019 | SANTA JUANA DE LESTONNAC PAROCHIAL SCHOOL

High School Diploma
